CS698 Homework: Learning Styles
Due: in-class on WED 9/12/12

Preparation: Read this website: http://www.learning-styles-online.com/

1. Read the page about each of the 7 learning styles. For each one, write a 1-2 sentence summary that identifies the key traits about this learning style. Your goal is to be able to recognize behaviors or characteristics to discover the main learning style of a student that you meet at office hours, without having to ask them about it.

2. What is your main (or two main) learning style(s)? Explain by giving an example of how you learn best.

Your submission should be about ½ to 1 page.
