

NSF United-States/Middle-East Workshop on
**TRUSTWORTHINESS IN EMERGING
DISTRIBUTED SYSTEMS AND NETWORKS**

Koc University, Istanbul, Turkey

June 4-6, 2012

Welcome and Thanks!

Agenda Highlights

- Plenary talks to whet our appetite
- Quick overviews of research at our universities
- Panels to frame various research thrusts
- Breakouts to inform, discuss, and team up
- Report back proposed activities, exchanges, ...

- Main Goal: Build connections (and have fun)

Notes

- Internet access – hot spot ID: “KU”
- Guest dinners and transportation logistics
- Participant list – check at registration desk
- Reimbursement forms for attendees from US
- Nothing set in stone – suggestions welcome!
- Realigning breakouts to reflect preferences
